Perfecting Plant Peel

Powered by plants, Aveda's perfecting plant peel system performs like a 30% glycolic peel naturally, without redness and irritation. Safe for all skin types including acne skin conditions. The Perfecting Plant Peel can be performed as a standalone 30-minute treatment or added to any facial anytime skin needs exfoliation and radiance.

Botanical Skin Resurfacing Facial Treatment

This facial treatment helps smooth skin texture and reduce the appearance of fine lines and pore size while significantly increasing radiance – all with less redness and irritation than a microdermabrasion procedure.

Dual Exfoliation Facial Treatment

This treatment delivers immediate, visible results improving skin texture, clarity and radiance, smooths appearance of fine lines & wrinkles and refines pores, revealing fresher, younger-looking skin. In a clinical study, the Dual Exfoliation Peel achieved better results than a combined microdermabrasion/30% glycolic peel treatment in both immediate smoothness and radiance, plus significantly better results in smoothness, radiance and skin tone one week later.
